20 **ORDER RE GOOGLE'S REQUEST FOR
21 EMERGENCY DISCOVERY HEARING**

22 The Court received a request from Google, via email, for an emergency discovery
23 hearing. First, the Court is engaged in criminal duty this month and unavailable for emergency
24 discovery hearings. Second, while requests for emergency hearings may be emailed to the
25 courtroom deputy for expediency, they must simultaneously be filed on ECF to ensure notice to
26 the Court and to all parties. No response to Google's pending request is necessary. In the future,
27 any response to an emergency request must also be filed on ECF. The parties are not to argue
28 discovery issues via email to the courtroom deputy.

29 On Monday August 2, 2021, the Court will accept only the "summary chart" that conforms
30 with *Calhoun* Dkt. 220/*Brown* Dkt. 191. Additionally, in each case each side must identify two
31 disputes as "priority," which the Court will take up first. Should either party believe that
32 additional briefing is essential in advance of the August 12 hearing, it may seek relief from this

1 Court's previous orders regarding submission of discovery disputes.

2 **SO ORDERED.**
